

CrownFlake™ Hybrid

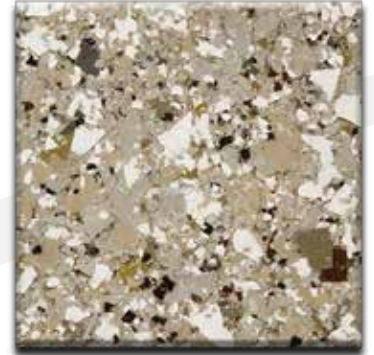

CrownFlake™ Hybrid has a large choice of colorful blend combinations for full flake coverage that will enhance the look of any floor.

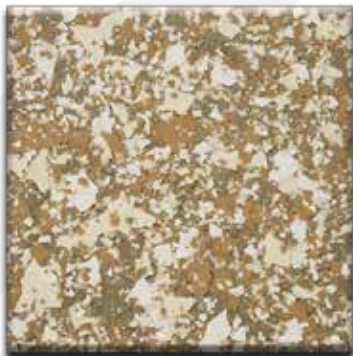

H-101
Smoke Blend
Hybrid Blend

H-102
Charcoal
Brindle Hybrid Blend

H-104
Creekbed
Hybrid Blend

H-105
Sand
Hybrid Blend

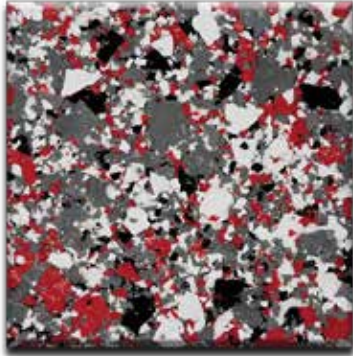

H-106
Chestnut
Hybrid Blend

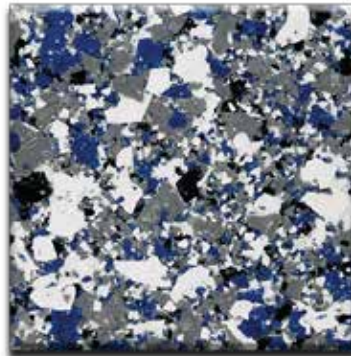

H-107
Coastline
Hybrid Blend

Color approximates a close appearance of the actual color flakes. Factors such as texture, lighting, size and shape of the project, and application method may cause color variances. When color is a critical issue, it is recommended that actual chip or overlay samples be used for approval.
